EXPERIENCE

Junior Frontend Developer

Train the Future UG

📅 08/2024 - 10/2024   📍 Berlin, Germany

- Implemented keyword research and on-page optimization techniques to improve website SEO, resulting in a 20% increase in organic traffic within the first three months of implementation.
- Reduced page load times by 40% by optimising and minifying JavaScript code, resulting in a 15% increase in user engagement metrics.
- Improved page load speed by 25%, enhancing user experience and engagement.

Supply Chain Manager Outbound

Grover

📅 10/2020 - 06/2023   📍 Berlin, Germany

- Optimised Outbound processes by implementing automation systems, reducing order transmission time to WMS by 50%, resulting in a 75% decrease in picking and packing errors.
- Monitored 4 different warehouses for in-synced outbound operations.
- Integrated at least 1 new shipping provider for bulky goods.

Intern and Junior Operations Manager

Grover

📅 04/2018 - 10/2020   📍 Berlin, Germany

- Ensured customer returns were successfully processed upon arrival within 1-2 days of arrival.
- Maintained stock discrepancies to minimum levels for up to +90k consumer electronics on a daily basis.
- Carried out on site stock takes for +20k products to ensure high availability for customers and low mismatches.
